2020 OHIO LGBTQ+ HEALTH PROVIDER GUIDE

This guide was created to connect lesbian, gay, bisexual, transgender, and queer community members with health and social service providers who are committed to providing LGBTQ+ centered care. Providers listed are those that answered "Yes" to at least one of the following questions, in response to a survey distributed by the Equitas Health Institute:

PROVIDER COLOR KEY:

-  **Has had LGBTQ-specific cultural competency training.**
-  **Uses LGBTQ-inclusive language on forms and paperwork.**
Paperwork provides space for patients to indicate their relationship status as partnered, differentiate between their sex and gender, and indicate preferred name and pronouns.
-  **Provides LGBTQ-specific education materials.**
-  **Provides Trans-specific services.**
-  **Has had LGBTQ-specific cultural competency training with Equitas Health Institute.**

Tips for using this guide:

Some providers, particularly specialists, require referrals in order to be seen. In the event you are attempting to make an appointment without a referral, it may be helpful to explain that you identified the provider through the 2019 Ohio LGBTQ+ Health Provider Guide. This guide is to be used as a reference only, Equitas Health makes no assurances about any providers listed. All information is based on self-reported information gathered by each individual provider.

About Us

The Equitas Health Institute is the education, research, and community engagement arm of Equitas Health, focusing on reducing health disparities in the lesbian, gay, bisexual, transgender, queer/questioning (LGBTQ+) community.

Our work with the LGBTQ+ community encompasses all sexual and gender minorities, including, but not limited to, those who identify as pansexual, asexual, omnisexual, gender non-conforming, non-binary, and intersex.
