The Care Team is a key part of your health journey

With all your responsibilities, prioritizing your needs can be hard. Your Care Team members are here to help you stay inspired and on track in your efforts to reach your goals.

How can the Care Team help you?

- Connect you to resources to reach your health goals.
- Your medical provider will help you create a plan to meet your unique medical needs.
- Your case managers will help you with Insurance and connect you to community resources (like housing, food, and support groups).
- Your pharmacy will help you understand your medication(s).
- Your behavioral health specialist will help with your mental health needs.

Will my Care team respect my culture and religious beliefs?

Yes, they will. Your cultural and religious beliefs shape who you are. Let Equitas Health know what you need from us to respect your culture and religious beliefs.
